

Marion Medical Mission

COMMUNITY. CLEAN WATER. CHRIST'S LOVE.

Marion Medical Mission (MMM) is an ecumenical, Christian, front-line, hands-on, volunteer, non-profit organization that responds to Christ's call to serve by working hand in hand with God's people in Africa. We show the love of Christ through projects that directly impact the African people, stressing self-help and sustainability.

663 million people around the globe rely on ponds, streams, and other exposed and untreated sources for their drinking water.

UNICEF reports that in sub-Sahara Africa one in five children die before their fifth birthday because they lack potable water.

For just \$400.00, you can provide an African village of approximately 150 people with a sustainable source of safe drinking water. That's life-saving water for a very low cost!

STATISTICS

- In 2015 MMM built **2,715 shallow wells** in remote villages in Malawi, Zambia and Tanzania.
- Out of the **25,000+ MMM wells built since 1990, 90% are functional.** That provides an estimated **3.75 million people (2.25 million children)** with a sustainable source of safe drinking water.
- Our 2015 goal was to build at least **2,500 shallow wells!**

*"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."
(Matthew 25:40)*

SHALLOW WELLS

- This is a self-help program.
- We partner with African communities at the grassroots level.
- Local villagers dig the wells, make the brick and provide the sand and stone. MMM supplies only what the villages cannot.
- Our shallow wells are inexpensive, practical and sustainable, and can be built in the most remote areas.
- They are easy to repair and even the extreme poor can afford to maintain them.
- Everything is purchased, manufactured, maintained and administered in Africa by Africans.

100% of all designated donations go to their designated purposes. 100% of all undesignated donations go to the mission field in Africa.

Water is life. Please consider partnering with MMM as we come alongside those in Africa who are still without clean drinking water.

MMM partners with the Church of Central Africa Presbyterian in Malawi and Zambia, and in Tanzania we work with the Evangelical Lutheran Church of Tanzania.
