

IMPORTANT!! THE CORONAVIRUS PANDEMIC CONTINUES TO PRESENT A SEVERE THREAT IN AFRICA AND ADEQUATE MEDICAL CARE TO ADDRESS THIS HEALTH CRISIS IS NOT READILY AVAILABLE THERE. Accordingly, Marion Medical Mission is accepting 2022 volunteer applications with the clear understanding that travel to Malawi, Tanzania and Zambia may not be advisable or in fact even possible in September or October 2022. The decision whether to send volunteer teams to Africa in 2022 rests solely with the board of directors of MMM, and all applicants agree to abide by that decision. MMM will advise all provisionally accepted applicants of that decision by June 15, 2022. If the board's final decision is made that it is safe to take volunteer teams to Africa this Fall, all accepted volunteers will be required to provide MMM with proof of completed covid-19 vaccination and recommended booster(s) prior to leaving the United States for Africa and otherwise be in compliance with all pertinent CDC international travel recommendations in effect at the time of departure.

Dear Applicant:

Greetings in Christ's name! The Marion Medical Mission (MMM) is a non-profit Christian organization that combines humanitarian volunteer action with self-help projects to provide safe water, assist in building schools and meeting medical needs, empower local communities, and foster intercultural relationships with the people of Africa. If you are looking for an experience that will change your life and the lives of others, MMM invites you to join our corps of volunteers.

We are planning to send 2 teams of volunteers during the months of September and October, 2022. Estimated dates (including travel days) are:

Team 1: September 16 to October 9

Team 2: October 7 to October 30

- Team members are asked to commit to a minimum of approximately 25 days' duty (including travel time).
- Volunteers pay their own expenses, including airfare, food, lodging, incidentals, immunizations and travel visas.
- Marion Medical Mission is a Christian organization, yet we are willing to cooperate in an ecumenical and interfaith way to provide safe drinking water to all in need. We welcome volunteers of all beliefs who are willing to serve with us and join in this important mission. However, know that you will be asked to faithfully represent MMM's Christian principles. You will be required to ensure that each well is blessed with prayer and that the villagers are told of the Christians in America who donated the money for the well. Many villages practice non-Christian religions, and we must respect their right to worship as they choose. Our goal is not one of conversion but rather one of humble Christ-like service to fellow members of God's creation.
- We estimate the cost of a 3-week trip to be about \$3000-\$4000. You pay actual cost, which can vary, based on current airfares, length of stay, costs of immunizations (these costs may vary according to your insurance coverage--it may be as much as \$500), etc.
- **We need your application as soon as possible!** Complete and sign the Application Form, the Program Policies Form, and the "Hold Harmless" Waiver and **return them to us within two weeks, if possible, but absolutely no later than April 15, 2022.**

- Our teams are small and interest is normally very high. The Board has set a general guideline goal of 40% new volunteers. Please note that previous participation is not a guarantee for acceptance. We will contact new applicants for either an in-person or a phone interview after receipt of all application materials.
- **Applicants will be notified of acceptance or rejection no later than May 2, 2022.**
- All applicants must submit an application (previous volunteers see below).
- **Previous volunteers** need only complete the General Information form. You do not need to provide references after your first trip. **ALL APPLICANTS**, however, need to (1) sign the **APPLICATION** and the **PROGRAM POLICIES**, (2) sign and have notarized the **WAIVER**, and (3) have the **HEALTH FORM** signed by you and your physician.
- Please note that regardless of your expressed team preference, we reserve the right to request that you serve on either team to best meet the needs of the mission.
- Have your reference forms filled out by two people who have known you for more than three years. If possible, please use your pastor or spiritual mentor as one reference and an employer as the second reference. Instruct each reference person to send the form in a sealed envelope (postage and envelope provided by you) directly to MMM.
- Applications may be approved subject to MMM's acceptance of your health form and receipt of proof of out-of-country health insurance. MMM also requires evacuation insurance. This can be purchased after acceptance and ticket purchase and prior to departure.
- You must complete all immunizations required by your health care provider for travel to Malawi, Tanzania and Zambia.
- **If accepted, you will need to attend one of the Volunteer Trainings, which will be scheduled in June in Estes Park, Colorado and in July in Marion, Illinois.**
- **All accepted team volunteers will be required to provide MMM with proof of completed covid-19 vaccination and recommended booster(s) prior to leaving the United States for Africa and otherwise be in compliance with all pertinent CDC international travel recommendations in effect at the time of departure.**

Thank you for your interest in serving as a volunteer with MMM. You can begin helping now by praying for MMM, our board members, the volunteers, and the African communities served.

In Christ's Service,
Marion Medical Mission
