

MARION MEDICAL MISSION

COMMUNITY. CLEAN WATER. CHRIST'S LOVE.

2023 | **3,500**
GOAL | WELLS

An estimated
350,000
of the extreme poor
will have safe drinking
WATER this
year

2.2

million people
worldwide lack
access to safe water

Sub-Saharan Africa has
the highest under 5
mortality rate in the world.

Globally 1,800 children
die every day from
water-borne disease.

\$450

provides a village in Malawi, Tanzania
or Zambia with a sustainable source
of safe drinking water

3,855
wells built
in 2022

49,000+
wells built
since 1990

5 MILLION+
people served
(3 million+ children)

- Everything is purchased, manufactured, maintained and administered in Africa by Africans.
- Local villagers dig the wells, make the brick, provide the sand, stone and unskilled labor.
 - MMM wells are inexpensive, sustainable, and can be built in the most remote areas.
- An MMM well is one the extreme poor know how to maintain and can afford to maintain.

100%

All designated
donations go to
their designated
purposes

100%

All undesignated
donations go to
the mission field
in Africa
