

MARION MEDICAL MISSION

COMMUNITY. CLEAN WATER. CHRIST'S LOVE.

2026 | **4,000**
GOAL | **WELLS**

An estimated
400,000
of the extreme poor
will have safe drinking
WATER this
year

2.2

billion people
worldwide lack
access to safe water

Sub-saharan Africa
has the highest under 5
mortality rate in the world.

Globally, 1,800 children
die every day from
water-borne disease.

\$500

provides a village in Malawi, Tanzania
Zambia, or Mozambique with a sustainable
source of safe drinking water

'Love the Lord your God with all your heart and with
all your soul and with all your mind.' This is the first and
greatest commandment. And the second is like it:
'Love your neighbor as yourself.' Matthew 22:27-29

4,271

wells built
in 2025

62,000+

wells built
since 1990

6 MILLION+

people served
(3.6 million+ children)

- Everything is purchased, manufactured, and administered in Africa by Africans.
- Local villagers dig the wells, make the brick, provide the sand, stone and unskilled labor.
- MMM wells can be built in the most remote areas.
- An MMM well is one the extreme poor know how to maintain and can afford to maintain.

100%

All designated
donations go to
their designated
purposes

100%

All undesignated
donations go to
the mission field
in Africa
